#### About This Project

The USAA Golden Eagle Club (GE) is a nonprofit social organization for USAA retirees. This project, The USAA Golden Eagle Scholarship Fund, is administered by the San Antonio Area Foundation and is the funding source of a GE program that awards scholarships to children and grandchildren of GE members.

Since the program's inception in 1998, the Fund has relied on donations from individuals and The Club, along with donation matching from USAA, to remain viable. Your donations through this project will automatically be matched 1:1 up to your annual match cap.

Donations may be given in memory or in honor of others using the 'Leave a comment' function on the Donation page. GE will acknowledge your recognition to the person you honored or to the family of the person you memorialized.
